One of the key ways we can live out our faith is to do things that Jesus did. In Luke's Gospel we read about Jesus time and time again meeting the needs of people on the margins of his society, those who society had failed. In this Sunday's Gospel reading, Jesus says that his flock know his voice and follow him, so one way we can be recognized as followers of Jesus is by how we follow in his footsteps in reaching out to those whom our society has let down. Locally, one way we can live this out is by supporting Wetherby Foodbank. You will see from the poster in this week's newsletter that there are three dropoff points for donations to the foodbank, in Bramham (in the surgery car park), and Boston Spa at St Mary's Church (both these collections are on Saturdays at 10am-11am) and in Clifford (Wednesdays 2-4pm at the Methodist Church). People need the foodbank for all kinds of reasons, with changing employment circumstances catching many unawares, and delays in administering benefit payments affecting many others. Many of us could so easily find ourselves in a similar situation. If you are unable to get out to make a donation of food, cleaning, toiletry or sanitary items because of the current restrictions, you can also make a financial donation to help Wetherby Foodbank at <https://uk.virginmoneygiving.com/donation-web/charity?charityId=1015809>

Christian Aid Week provides another, less local focus, for our efforts to follow Jesus - more on this will be heard at our ecumenical Christian Aid Week service on Sunday 10th May. And in the meantime, do continue to pray for those who are struggling at the moment, including yourself if this applies. Do let us know of anyone who could do with an occasional chat, or who would appreciate being prayed for. The lockdown is a dangerous time for those in abusive relationships, including those whose sexuality puts them at odds with other household members, It is much harder to physically "be there" for each other at the moment, but perhaps this is an opportunity to sharpen our act, and find new ways of "being there" for people, even if we cannot physically be there with them. Like Jesus, we are called to unexpected acts of love, inclusion, justice and peace.

Yours in Christ, Revd. Nick

Greetings from a rested and restored Revd Trish! It was a very strange week off. Usually I use the time to catch up with friends from further afield and go in for a bit of retail therapy, but this week off has been different.

In actual fact it was not very different from the week before! Being in that critical age band of the over 70s I am sort of house-bound. To avoid the list of housework that glared at me I took to sitting in the garden and reading and then going for ambles (I am honest enough not to call them walks!) locally.

The message I am passing on to you is that God is at work, without a holiday. His creation is showing itself in all its glory. From the blossoms, the flowers, the unfolding leaves to the songs of the birds the world is glorious. New life is all around us.

One of the best signs of new life around this locale is to hear the human voices greeting each other. I rarely go past anyone without exchanging at least a short greeting or a smile as we sidestep each other on or off the pavements. Tales come in of the willingness to help our neighbours and share our thanks. I see God at work everywhere.

My wish for us all is that this sense of community and sharing will not be lost in the rush embrace 'normal' life again at some time in the future. As we progress through this Easter season let's hope that the message that the risen Jesus gave to his disciples, to go out and spread the Good News, is one that we can take out amongst our newfound interaction with those we meet.

Revd Trish

St Mary's Email Prayer Group

St. Mary's Email Prayer Group was formed 18 months ago to support people with varying needs, not only within the church family but also in the community and beyond, whatever their faith.

We currently have 20 members who commit to regular prayer. A new list is sent out by email every month with names and events that have been requested for prayer along with updates. This list is for private prayer within the group and is not published or shared with anyone else.

During this difficult time when we must isolate ourselves in our homes and are not able to meet together to worship and pray, this group has an even greater responsibility to share the love of God by supporting others.

I am asking you all to consider joining our group (if you have online access).

To be vigilant and contact me if you know of anyone who needs our prayers at any time.

Permission must be sought before adding names to the list.

Please contact me on stmarysprayer18@gmail.com
for prayer requests or for an information sheet about joining the group.

STEWARDSHIP at St. Mary's Church, Boston Spa

At the time of writing this article, (3rd April) the Church is locked and no services are being held except online. I have just completed the distribution of the new sets of Stewardship Envelopes and thanks to Mike Bowers and Emma for their assistance. The new packs contained a note from me emphasising that in spite of the 'lockdown' your contributions are still very much needed and suggesting ways in which the envelopes can still reach me. I also suggested that some people might prefer to switch to Bankers Order payments and enclosed a suitable form. Even at this early stage, I have had one or two takers and I commend the idea to everyone as a means of keeping regular contributions going even when for whatever reason attendance at Church is not possible. The only problem with this means of contributing is that once a Bankers Order is in place it tends to remain unchanged for several years thereby reducing the value of the contribution due to inflation. This is something I keep banging on about each year in my annual Stewardship Report but sadly to little effect. There is a new scheme being launched by the Diocese involving Direct Debits with built in annual increases for those who feel able to sign up to such a commitment but it is not yet in operation.

Readings for Sunday 3rd May 2020

Acts 2.42-end

They devoted themselves to the apostles' teaching and fellowship, to the breaking of bread and the prayers.

Life among the Believers

Awe came upon everyone, because many wonders and signs were being done by the apostles. All who believed were together and had all things in common; they would sell their possessions and goods and distribute the proceeds to all, as any had need. Day by day, as they spent much time together in the temple, they broke bread at home and ate their food with glad and generous hearts, praising God and having the goodwill of all the people. And day by day the Lord added to their number those who were being saved.

John 10.1-10

Jesus the Good Shepherd

'Very truly, I tell you, anyone who does not enter the sheepfold by the gate but climbs in by another way is a thief and a bandit. The one who enters by the gate is the shepherd of the sheep. The gatekeeper opens the gate for him, and the sheep hear his voice. He calls his own sheep by name and leads them out. When he has brought out all his own, he goes ahead of them, and the sheep follow him because they know his voice. They will not follow a stranger, but they will run from him because they do not know the voice of strangers.' Jesus used this figure of speech with them, but they did not understand what he was saying to them.

So again Jesus said to them, 'Very truly, I tell you, I am the gate for the sheep. All who came before me are thieves and bandits; but the sheep did not listen to them. I am the gate. Whoever enters by me will be saved, and will come in and go out and find pasture. The thief comes only to steal and kill and destroy. I came that they may have life, and have it abundantly.

Streaming services from home

The recent guidance preventing clergy from entering their own churches, even to just livestream an act of worship, has prompted a series of imaginative alternatives.

“Not being able to use our church buildings is, of course, a huge loss to us all,” one says, but on the other hand, “streaming worship from home shows that we are alongside those who are having to self-isolate and those who are forgoing so many other things in their lives that they used to rely on.

“It also shows that we are facing up to the same restrictions as them and doing all that we can to take a lead in encouraging people to ***stay at home, protect the NHS and save lives.***

“Moreover, to pray from and in the home may help us to show that the Church is, as we all know, *us*, the people of God, not our buildings.”

Christian Aid Week 2020

Christian Aid week is 10th to 16th

May and all activities will now be online.

The Christian Aid Service for the Benefice, together with the Methodists, will be available on line through www.bramhambenefice.org as is now usual.

We would still like to do as much fund-raising as we can for Christian Aid, particularly because as an international organisation it is highly experienced in infection control in many countries. They will be providing us with fund raising ideas including “e-envelopes” to make donating easy!

At this stage we can only say look out for what we manage to implement to support Christian Aid to help other countries in the face of this pandemic.

Boston Spa Volunteer Action Group

When lockdown was announced we decided it would be good to pull together a group of volunteers to help anyone self isolating with collecting prescriptions, shopping, dog walking or simply calling them for a friendly chat. We put a "shoutout" for volunteers on Next Door and to our delight received over 40 responses within 24 hours. Day by day the numbers kept increasing and we now have 90 volunteers signed up. This means that we were able to assign a volunteer to every street in Boston Spa, who delivered a card with their details on. We also have a reserve list, which I am sure will be needed as volunteers have to self isolate themselves.

If you live in Boston Spa, are self-isolating and need any assistance with shopping, collecting prescriptions, walking your dog or would just like a regular friendly phone call, please contact your local volunteer direct.

If you are self isolating and need assistance with shopping, prescriptions, dog walking or would like a friendly chat and you don't live in Boston Spa contact the following:

Important information for you and our volunteers

In line with Covid-19 guidelines our volunteers will have no direct contact with you. They will always remain at least 2 metres away.

If you require shopping or a prescription collected, you will place the PO/prescription on the doorstep of a given form for the volunteer to collect.

The volunteer will leave your prescription/shopping and receipt on your doorstep and ring your doorbell before stepping back 2 metres. If you are paying by cash, please place the payment for the shopping on the doorstep and close the door. If any change is required, the volunteer will leave the change on the doorstep and leave.

Preferred payment method for shopping is by card over the phone. The shop will ring you for your card details when the volunteer goes to the check-out. You and the volunteer should agree a code word so that the shop can verify that it is your shopping that is being paid for.

ARE YOU FINDING IT HARD TO ACCESS FOOD?

In light of COVID-19 we are putting additional support in place to ensure everyone is able to access the food they need.

Am I eligible for help?

If you are finding it difficult to access food due to financial constraints, self-isolation or accessibility of food provision, then you are eligible for help.

When making the referral you will be asked questions about your personal situation which will enable us to determine what type of support you require.

How can I access help?

If you think you may be eligible to help from these scheme then you can contact a local keyworker or service who will make a referral for you.

This might be somewhere or someone you already have contact with such as a school, college, social worker, housing officer or it could be a provision in your local area such as a Community Hub.

Ideally a referral should be made through one of these support services, however if you are finding it hard to access these please make a self-referral by calling us on **0113 376 0330**. This is a free number.

What happens next?

Once a referral has been made, we will pass your information on to local volunteer coordinators, and you will be provided with a food parcel or a supermarket voucher.

This will be either delivered to a provision hub near your home for you to collect, such as a community hub, school, foodbank or a charity, or delivered to your home directly.

We want everyone to feel supported and will work with you to see what route is best for you.

For more information and guidance please contact the Local Welfare Support Team on 0113 376 0330.

These provision hubs could be your service, and include schools, children's centres, foodbanks, community hubs and third sector organisations.

There is also space on the form to note if they require any additional support, please use this space to help us ensure individuals and families are referred to further services as needed.
