Thank you for all your donations.

## How do you watch our online services? Facebook? Website?

It is now possible to view our Facebook livestreamed services on the website. On the main page of the website [www.BramhamBenefice.org](http://www.BramhamBenefice.org) in the middle of the page whenever a live service starts, a window will appear on the screen. You may have to refresh your browser for this window to appear. To make that window bigger on your screen, hover your mouse over it and click the "Full Screen" icon which looks like 4 arrows pointing outwards. If you can't hear the sound, hover your mouse and check the sound is not muted in that window. We hope this means more people can access our live services easily. Please spread the word about this feature, especially to those who are less confident in accessing our services on Facebook - this should make it much easier for them.

### Why online donations?

Churches rely on the generosity of their communities to enable their mission and ministry. Whilst our church buildings are closed and we are unable to receive cash offerings, it's important that we offer alternative ways for people to give. Online giving is a good mechanism to enable one-off donations from people and to act as an alternative way to give for those who regularly donate by cash or for occasional and new givers.

To help our Benefice and donate please visit our website.

[BramhamBenefice.org](http://BramhamBenefice.org) and follow the online giving link at the top of the page.

If you would like to donate to one particular church please contact

The Parish Office on 01937 844402

Thank you for your continued support.
