

Did you take up a new hobby, craft, or artistic endeavour during the lockdown periods? Or did you renew a former artistic activity?

To celebrate the creativity of our community, we invite you to submit ONE example of something you made during lockdown for an exhibition in church.

Bring your item to **St Mary's Church** on Thurs 7th or Fri 8th July 9am-3pm (or call to make other arrangements). Fill in a form when you leave your item to identify yourself, say a little about your item, and leave your contact details. Items are displayed at your own risk.

The **Made in Lockdown** exhibition runs **Sat 9th - Sun 10th July**. Items must be collected on the Sunday evening after our 6pm "What the World Needs Now" Jazz service.
