At The Gates: Sharing the stories of disabled Christians
 Naomi Lawson Jacobs and Emily Richardson discuss how disabled Christians often find themselves left at the gates of churches.

Online event premiered on YouTube and then available on catch-up.

The Bible proclaims that we are all wonderfully made in God's image, but the continuing marginalisation of disabled siblings in our churches and society indicates that we have a long journey towards recognising the value, and giftedness, of all.

Join us online as Dr Naomi Lawson-Jacobs and Emily Richardson, co-authors of *At The Gates: Disability, Justice and the Churches* will be in conversation with Reverend Zoe Heming.

Naomi and Emily centre their book around disabled Christians' own stories, and call for churches to move from a care-based approach to disability, to one that is focused on justice, equality and access to churches for disabled Christians.
