This month, we've highlighted our TOP 5 most urgently needed items. If you're out shopping and are able to donate, ANY of the items on our Wish List would be great, but if you could choose something from the first five we'd really appreciate it!

We are still experiencing a HUGE rise in need and this will only increase further as the school summer holidays begin. We really need our warehouse to be well-stocked so we are ready to help individuals and families across the district who are struggling to put food on the table.

In the period January to June in 2021, we fed 320 people.

So far this year we've fed 1,229. That's a FOUR-FOLD INCREASE.

In the same period in 2021, we received 18,967Kg of donations.

So far this year we've received 14,588Kg of donations, yet we're feeding more people.
