FUNERALS

Pastoral

If you hear of a parishioner who is ill or facing challenges who might appreciate a call or visit from one of our pastoral team, please contact Rev'd Trish Anslow to make us aware of their circumstances. Clergy do not automatically know when people are ill or when life throws them a curved ball, and are completely reliant on the church family to tell them.

Snake is well known for his many and varied band concerts, and as sax-man to the stars, having toured and recorded extensively with Lisa Stansfield, The Eurythmics, Paul McCartney, M-People, Swing out Sister, Take That and many others. He makes frequent high-profile excursions to the East with Japan's biggest rock star Eikichi

Yazawa.

Here is an opportunity to see and hear Snake in a different light. An informal acoustic evening with music and chat. Snake will treat us to a demonstration of the whole range of saxophones plus an array of other instruments, including flutes, whistles, steel handpan and the

Japanese Shakuhachi.

He'll tell some tales from life in the music business and on the road and will take questions on absolutely any subject.
